

ARIZONA COURTLINES, INC. SPECIFICATION

BASKETBALL GOAL NET(S)

STANDARD NET:

Net shall be a synthetic 3MM. Net shall be multi-braided, 21" in length, and shall have 12 loops for goal attachment. Net shall be white.

HEAVY DUTY NET:

Net shall be made from #144 braided nylon. Net shall be multi-braided, 21" in length, and shall have 12 loops for goal attachment. Net shall be white.

CHAIN NET:

Net shall fit standard 18" diameter goals and shall hang approximately 20" below the goal. Chain net shall attach to goal with (12) 3/8" s-hooks. Inner chain net loop links shall be crimped to form netting. Entire chain net assembly shall be zinc plated for outdoor use.
